

Isusko Garcia C.V

1st ASSISTANT DIRECTOR

Isusko's love of organising and structure at a young age, led him towards being a product designer. A few not so perfect A-levels grade funned him through clearing into a film degree. His part time work in live TV from aged 16 came to the forefront and his passion for the creative world flourished.

Tasting inhouse production and editing at a placement during his BA, found him on set in awe of the AD role.

He had caught the bug.

He entered into the world of short form in 2006 and has never looked back.

Hanging up his running shoes in 2011, he has AD'd on hundreds of job looking after thousands of cast and crew to make sure they get home in the most timely fashion, and passing on as much knowledge to his team as he can. COVID hit and he emersed himself in his podcast, The Film Gods Podcast, which reached number 1 spots all around the world. As the world was asked to stay indoors he took the chance to document the roles on the callsheet.

Being on set is where he is at home surrounded by friendly faces - his film family.

Look forward to hearing about your project. Big love x

Bio:

Having started working in live TV in 2001, Isusko has worked on many large outside broadcast productions including European trips on the football and rugby. In 2004 he joined a production company and worked in-house until 2006 when he became a freelancer in commercials, online content and music videos. In all those years he has worked on hundreds of jobs from the low key to the budget busting productions.
