(E) cian767@gmail.com www.cianllewellyn.co.uk (M) 07525618418

PROFILE

I am a driven and hands-on individual who brings a fun and pro-active attitude to set. Since training with Screen Skills I have worked alongside BAFTA and Oscar winning cast and crew and feel extremely privileged to be involved in the industry. No task is too small and I'm fully accustomed to long and rigorous working days. I love the variety that comes with commercial work and firmly believe that there is something new to learn on every job! When not working in the AD or Covid department I write, direct and produce my own award-winning short films.
