Additional Information

I'm a SW London based Runner & AD with a vast range of experience and an independent, creative problem solver with a friendly disposition. After completing an acting diploma at The Royal Central School of Speech and Drama, I realised I wanted to work behind the camera instead of in front of it. I have a unique and forward thinking style that I've brought to various projects and enjoy the fast pace of on-set work. I'm quick to solve a problem and flourish under pressure - with almost 3 years of experience in childminding prior to working in film and TV, I've had plenty of time to polish my skills in predicting my surroundings and dividing my attention, I'm DBS checked and safeguarding qualified and work well with children on set. I have a clean driving licence and my own car which is business insured, so I'm always willing to travel for work.
