The above is just a small piece of my work recently, I have travelled all over the world and enjoyed working in some far flung locations which I enjoy the problem solving and organising. I have nearly 20 years experience in the AD department and have the knowledge or all types of filming from large crowds, stunts , aerial work helicopters and planes, car shoots, mountainous terrine ,jungle ,under water ,boats , ships , military films all services plus many more . In 2012 I spent two months working in Brazil for the VSFx Company in setting up and working with the motion control unit in preparation for the forthcoming world cup .

Some of the Countries I have worked in - Australia, Tasmania, Hong Kong, Singapore, Thailand , China , India , Canada ,USA < shot in the states over 20 times > , Mexico , Argentina , Brazil , Chile , Jamaica , Barbados , Antigua , Bahamas , Honduras , Cuba , South Africa , Kenya . , Morocco, Spain, Portugal , France , Germany , Poland , Russia , Holland , Greece , Italy , Greenland , Alaska , Croatia , Czech Republic , Hungary , Norway , Dubai , Malaysia .
