Bio:

Having started working in live TV in 2001, Isusko has worked on many large outside broadcast productions including European trips on the football and rugby. In 2004 he joined a production company and worked in-house until 2007 when he became a freelancer in commercials, online content and music videos. In all those years he has worked on hundreds of jobs from the low key to the budget busting productions.

TV

I have worked in live Outside Broadcasting for over 10 years in a wide variety of social and music events such as The Queens Jubilee, Good Morning America, The Olympic handover to name a few. My main body of live OB employment has been in sport, mainly concentrated in Football and Rugby Union, working for Sky Sports directly on freelance basis.
