**Skills:**

I have over ten years experience as a freelance field, location and on set **Sound Recordist**  
I enjoy working in the various and evolving disciplines of film making and working as part of a team  
I relish the opportunity to travel abroad for jobs and have been fortunate enough to visit most of Europe on several projects and most recently, Japan plus recording ambisonic virtual reality audio in Fiji.  
I work with all major camera systems (ARRI/RED/Canon/Sony etc) I can provide connectivity for most systems  
I'm a valid UK passport holder. A van owner with full/clean UK driver's licence + insurance  
German Speaking & Qualified Ski Instructor  
CRB Checked
