Mobile: 07454 274700

Email: orlandobryant@tridentvisuals.co.uk

Bases: London, Kent, Liverpool

I am a driven and experienced Set PA/ Floor runner, building on my knowledge from university with experience working in HETV, commercials and music videos. Confident in adapting to jobs large and small and not intimidated to take on more important roles on a production. My ultimate goal is to scale the ladder in the AD department and become a well-established 1st AD and help others along the way to becoming successful in the industry. My ability and the soft skills I possess gives me assurance that my ambition is an inevitability rather than a prospect all the while of being the best team player to my colleagues.
