

Oscar Dunbar

DIT | Editor | Director | Producer

07498997642 | oscarjrdunbar@hotmail.com

Based in London

SUMMARY

Energetic and hard working Digital Imaging Technician with a wealth of experience on high end TV commercials, as well as corporate and independent productions. I have my own DIT equipment with the latest software, and I'm eager to lend a hand in whatever capacity is needed for the project. I'm primarily looking for DIT roles in TV and Film in London but very happy to travel further afield as required.
