Biscuit	British Gas	Aaron Stoller	Rob Thorpe	Runner

Additional Information

I have worked on a number of productions including feature films, TV fiction, corporate videos, music videos and commercials. My skills are best utilised on moving image shoots, where I strive to work quickly and efficiently to help a set run as smoothly as possible. I thrive within AD teams as well as in production, and particularly enjoy working closely with 1st ADs as I have a keen interest in learning more about the detailed on and off set processes. Ideally I would like to move to a 3rd/2nd AD position once I have more experience as a runner and production assistant.

Other work experience

- Lighting Operations Assistant at Big Sky Studios (current).
- English teacher/tutor abroad in Barcelona (**BCN Languages**) and freelance in London.
- Caterer and manager at **Orange Buffalo**.
- Crew (setting up and de-rigging music events) for **Chloe's Crew**.
