

I have breadth of experience across all aspects of production both as a PA/ PC as well as beginning to PM and produce. I have just finished a contract working in-house as a producer at ad agency Hogarth WW where I coordinated on multiple projects. I have a background in logistics and a dedicated history of working and volunteering across the arts in both film and music.

Key skills and Experience

Working across all areas of production, pre-prod, on-set and post. Standard duties include budgeting, call-sheets, RA's, managing unit lists and crew info, transportation and travel itineraries for large groups, PPM decks, casting, locations, hiring crew, liaison with shoot-services, booking catering services and contractor, Covid Documentation, poc for invoicing.

- + High proficiency in office software: Microsoft Office, Keynote, Google Docs, Frame and Teams
- + Proficient in use of media software: Premiere, Photoshop.
- + Sound editing and mixing; Logic X, Ableton

Volunteering:

Director's assistant: (Full time Feb – May 2018) | Deveron Projects, Community Arts Centre, Aberdeenshire

Working directly under programme director assisting with funding applications, events programming, as well as the day-to-day operations, community engagement and website updates and archiving.

Hobbies and interests:

I am adamantly committed to the arts, in particular music. I have produced music and overseen launch campaigns for single releases that have received airplay on national radio, Spotify playlisting and endorsement from reputable online and print media. I enjoy reading and like to write scripts and short stories in my spare time.
