About Me: I have worked extensively in commercials, features, promos, content and TV for a number of years. A late starter to the industry, I previously worked in the public sector for in roles ranging from Project Worker with the Street Homeless, Youth Work and Substance Misuse Worker. I also combined a successful pop and dance music career in Europe and the UK over the same period. I bring a wealth of life experience to any shoot and my previous professional background, amongst other things, has enabled me to deal with effectively with people from all walks of life, difficult members of the public and work in unconventional/inner city locations. I am also in the final year of a Film and Media degree and in my spare time I write screenplays and make House music

Additional Skills: Full Clean Drivers Licence (LWB Vehicle/Luton/Crew Van Competent), Extensive Professional Experience Working with Young People and Children, Experienced in International Locations/Carnet's, Extensive Experience of Working in Unconventional/ Inner City Locations as well as dealing with challenging behaviour.
