Additional Information

Being on the more mature side of running you get life skills in with the deal! I do thrive in working under pressure and always find solutions to problems. I have experience in working on location, against the elements and in hostile environments.... Still coming back for more.

During Covid I worked with Somesuch Knucklehead, HLA, Riff Raff, Not to Scale, ITC Creative, Hunnryman, , RSA , Pulse Films, Bullion, Jeff Delich, Fond Films, Caviar, Park Pictures as a Covid Coordinator, on set Supervisor and for a HBO series as a HOD Covid / Production Health Manager.
