Experience:

I am a London based runner & camera trainee who has been working in the commercial, music video & interactive virtual events since early 2020. After a long stint in post production on ABBA's - Voyage live event with production company Aniara and before then a year at VFX house Electric Theatre Collective. I am available for onset and in studio freelance work. Please consider some recent credits below. I am CRB checked, First Aid Trained & a certified Covid-19 Supervisor.
