## ABOUT ME

I am an individual who enjoys the technical side of sound production.

I pride myself in the ability to capture and achieve the best sound quality needed to reach the main goal in focus.

My enthusiasm runs alongside boom operation, sound assisting and all aspects of sound location shoots.

I have an Entrepreneurial spirit that thrives in a fast-paced environment.

I'm a career and results driven individual who is actively seeking roles within the film and television sound recording world.
