Nigel Albermaniche is a multi-award-winning production sound mixer with a passion for storytelling through sound and a reputation for being one of the kindest people on set. With credits on critically acclaimed projects like *Under The Skin* (Academy Award-nominated, BIFA & BAFTA-nominated), *The Third Day* (Emmy & BAFTA winner), *Help* (Emmy & BAFTA winner), and *National Treasure* (BAFTA winner), Nigel brings a rare mix of technical mastery and creative intuition to every production.

With over 100 films and 40+ television shows under his belt, Nigel’s experience spans everything from intimate indie shoots to large-scale multi-camera productions. His extensive kit is ready to handle it all — whether you’re working with a one-person crew or a full production team.

Reliable, adaptable, and always a positive presence on set, Nigel isn’t just about capturing the perfect sound — he’s about making the shoot a smoother, better experience for everyone involved.
