

Steffan Ciccotti – Marine Coordinator

Mobile: 07515 018288
Email: sc@focusmarine.co.uk

Over 10 years experience delivering marine operations in challenging, dynamic environments, built on strong safety and rescue credentials gained with the RNLI, military, and commercial maritime and diving industry experience.

Experienced marine coordinator with credits spanning feature films, long form TV, live events, and several TVCs. Extensive fleet of specialist marine craft, platforms, PPE and equipment to support filming on the water.

Outside of marine coordination, I enjoy offshore yacht racing and sail training, whitewater kayaking, SCUBA diving and teaching Search & Rescue boat handling to volunteers for maritime rescue NGOs in the central Mediterranean.

Commercial Marine Qualifications:

- ✓ MCA/RYA Advanced Powerboat instructor (commercially endorsed) – vessels up to 24m LOA
- ✓ MCA/RYA Yachtmaster Offshore (commercially endorsed) – vessels up to 200GT up to 150NM offshore.
- ✓ Port of London Local Knowledge Endorsement (PLA LKE) – vessels up to 13.75m, high speed and filming ops

Ancillary quals:

- ✓ RSA Class IV (HSE Pt4) Commercial SCUBA Air Diver – (SCUBA to 30m)
- ✓ RNLI Casualty Care for Lifeboat Crews
- ✓ MCA Approved Engine Certificate (AEC)
- ✓ STCW95 Sea Survival
- ✓ ENG1 commercial seafarer's and HSE commercial diving medical
- ✓ Full UK driving licence and B+E towing endorsement

Training / instructor qualifications:

- ✓ RYA Advanced Powerboat instructor
- ✓ RYA Safety boat, First Aid, SRC assessor
- ✓ Former RNLI Local Trainer Assessor
- ✓ British Canoeing Level 2 Paddlesports coach
- ✓ British Canoeing Advanced White Water Safety and Rescue (AWWSR)
- ✓ SeaSafe accredited ISO12402 lifejacket servicing technician

Film/TV: Marine Coordination and Crew

Varied experience across day and night marine filming on a wide variety of productions.

Supporting productions with pre-production planning and support, research and vessel charter/procurement, specialist risk assessments, managing provision of safety cover and marine supervision on location, coordination of marine action, camera boat and action boat helming, artiste training, and specialist medical response.

HSE registered commercial diving contractor providing standby/safety diving, preparation of underwater locations (surveys and underwater rigging) and accredited SCUBA training.

Location experience spanning tidal estuaries and beaches, canals and inland waterways, lakes, reservoirs, rivers and open water. Port of London local knowledge endorsement for media/filming operations on the tidal Thames.
