Evie Golding
2nd AD / 3rd AD / PA

07883508415 evie.golding@hotmail.co.uk

I am organised, hard working, efficient, able to problem solve, proactive and integral.
I believe in keeping a positive attitude on set and that working well in a team is key.

I have developed essential assisting skills through working with many of the best AD's and producers in the commercial and music video industry over the past few years. I began running, and now AD'ing and PA'ing alongside my own freelance directing work.

You will notice a gap in my CV, as the majority of my time was taken up during 2023 / 2024 on long form, working on Gangs Of London S3 as shadow / 2nd unit director. Which gave me vital skill such as ; creative, time management, working with changes, set moral, working with talent, and more.
All which transfer over to being an AD / PA in commercial and music video.
