IG: @aashnasw

Grade: Runner

About me: With a former background in social work, I am no stranger to unpredictabilities in the workplace! In my previous experiences on set, I have been commended for my enthusiasm, adaptability, strong communication skills, and ability to build professional relationships. I am a driven, focused individual eager to gain further experience in the industry and always ready to take on a challenge! I am also a keen writer with the goal of writing and directing my own work one day :)
