SUMMARY

I'm a South West London based BA graduate. With experience working on-set and in post- production houses. I'm constantly wanting to expand my skillset and industry knowledge. I'm used to working in high pressure environments and thinking on my feet. My wide range of experience means I'm a strong communicator and used to working with industry professionals across the board.

ADDITIONAL INFORMATION

In my spare time I used to edit videos on Final Cut Pro X and After Effects for fun. Those videos managed to gain over 20 thousand followers and reach audiences of 500,00+ on the social media platforms Vine and Instagram. Now I use these skills to create content for the football team I play for, Hersham FC, on both Instagram and Tik Tok.
