| Full UK driving licence and own car | Own Laptop

A motivated and hardworking individual with a strong passion for film and television, inspired by the creative process behind the scenes. I aspire to build a career as a filmmaker and bring the same dedication, punctuality, and professionalism I have developed in previous roles. My background in hospitality has given me confidence in working with the public, while my experience in a racehorse yard has taught me resilience, discipline, and the ability to handle physically demanding work.

Credits.
