PRODUCTION ASSISTANT / RUNNER

Production Assistant and Runner with experience working through pre-production to post. Highly efficient in handling on-set comms and assisting Production with scheduling, decks, travel & shoot logistics, and on-the-ground problem solving.

SKILLS

- Creative problem solving + ideation
- Schedule management
- Cast & crew comms
- Contract + paperwork creation
- Budget management
- Efficient in Google Suite, Canva, Fade in, Asana, Monday.com
- Call sheet + scheduling

EXPERIENCE

Production Assistant | Multiple Projects

2023-2025

Shakespeare Sisters

- Handled catering, shoot logistics, and crew comms.
- Provided talent with schedule management from casting process through to post and guided their casting process.
- Took ownership of location logistics including; organising quotes, scheduling recces, and on-set logistics.
- International work at the Giddy Island Film Festival in Greece, on-the-ground set-up, talent & public coordination and booking travel for their premieres and events.
- Supplier coordination: handling comms between art, catering, and equipment and maintaining long-standing relationships.

Production Assistant | EPK - Hamnet, Downton Abbey

2025

FOCUS Features | Jam 96

- Assisted in managing the schedule of four different units at separate sound stages, locking off sets, ensuring cast and crew were efficiently moving between set and staying on schedule.
- Talent handler to A-list celebrities, working closely with their team.
- Assisted different departments in setup and de-rig.
- Catering facilitator: organising meals for the day and ensuring crafty was stocked up and tidy.

1st Assistant Director | TV Pilot

2025

Keon Hedayati

- Working closely with the producer and director to organise a complex shoot schedule, involving unit moves and multiple moving parts across departments.
- Ensuring a positive environment on set to keep crew working productively to schedule.
- Resolving on-the-ground issues such as schedule changes and shot alterations.
- Delegating and ensuring constant communication with my AD and runner team to ensure the shoot ran smoothly.
- Providing creative work arounds to help solve problems in the moment in an effective manner.
