## Work history

### Past

**Warwick University 06-07/2025:** Led creative production of a pitched advertisement for the university's Enterprise Department, working with department heads and completing storyboards for the project during my final year at University. Working on a sizable project in a leading position significantly developed my leadership and collaborative skills.

### Present

**India International Women's Cricket 04/2026- :** Developing storyline for a documentary alongside former international/current commentator Deep Dasgupta chronicling the evolution of the India Women's side – an exploration which hasn't yet been done in a visual medium.
