---	---

DRIVING STATUS	Clean UK Driving License & Car Owner - experienced with crew/talent transport and prop collection.
BASES	Kent, Greater London.

PROFILE

Adaptable, reliable Production Assistant / Runner with a proven track record across fast-paced commercial shoots for brands including Burns Dog Food, Bright Horizons, McVities, Arsenal and Xofigo. Strong on-set etiquette, calm under pressure and trusted to keep moving parts on schedule, from lock-offs and unit moves to kit runs, prop collection and client-facing support. Confident handling communications between clients, producers and crew, feeding back critical operational information clearly and quickly when timings are tight.

KEY PRODUCTION SKILLS

Logistics & Driving Driving talent and crew safely between locations; executing precise unit moves; picking up and ordering time-sensitive props; loading and unloading kit vans.	Set Operations Setting up Gazebos/Easy-Ups; building furniture and props for art department; managing craft service/catering tables; continuous set dressing and cleaning; assisting camera and set design teams.
Crowd Control & Security Protecting high-end camera and lighting gear from the public; managing lock-offs; supporting clear walkways and set safety.	Communication Using comms to feedback critical operational information smoothly between clients, producers and the camera crew.
